Identification

American Gemological Laboratories™
 America's first and most highly respected origin lab.

Founded in 1977,
 AGL is an internationally recognized gemstone
 testing facility, specializing in comprehensive
 colored stone analyses.

AGL has the distinction of being the
 first laboratory in the United States to issue
 Country-of-Origin reports. Our company and its
 principals have a long tradition of research into the
 detection of and reporting on gem identification-
 and-classification, gemstone treatments and
 provenance determinations.

Our staff is composed of experts in the field
 of gemstone testing and reporting. Our findings
 reflect the latest knowledge and analytical
 techniques to ensure the highest standards
 are applied on every stone we test.

AGL's testing and reporting
 methodology provide you with unsurpassed quality
 and reliability. We are committed to providing
 the highest level of service and reporting
 that our clients and the industry have
 come to expect from the AGL.
